

REFLECTION SESSION
FOR ADMINISTRATORS
AND LEADERSHIP
JUNE 10, 9AM-10:30AM
PDT

**YOU HAVE INNOVATED,
PIVOTED, LEANED IN,
WORRIED AND MADE IT
THROUGH THE YEAR!!**

We invite you to a morning session to reflect on this year, capture your learning, and strategize for next year.

***I never fail. I either win
or learn.***

- Nelson Mandela

***What have you
learned?***

***What can you apply to
next year?***

By sticking it out through tough times, people emerge from adversity with a stronger sense of efficacy. - Albert Bandura on Self Efficacy

In this session, you will pause and reflect in order to:

- celebrate your successes,
- learn from all you have navigated,
- build strategies that foster resilience and well-being throughout your school climate next year.

"The work with TeachWell this year has supported me as an individual and a school leader. I gained valuable tools to manage my well-being as well as to use with faculty." Elementary School Administrator, The San Francisco School

TeachWell focuses on the emotional intelligence of school administrators and school leadership to foster the well-being of all staff members.
